Project	Reassessment and validity extension of assessment and regulatory information reports 41117		

Dear Boris Iskra,

This letter is to confirm the extension of the validity of the assessment and regulatory information reports identified below.

Project number	Report no.	Report title	Current expiry date	New expiry date
FAS180336	41117 R11.0	Fire Hazard Properties of timber floor, wall and ceiling linings in accordance with requirements of NCC 2019 Volume One Amendment 1	31 March 2024	31 December 2025
	41117 RIR11.0			

We confirm that the validity of the above reports has been extended until 30 April 2025. This interim extension is granted to enable a reassessment of the technical justifications, baseline test evidence and conclusions in these reports in accordance with assessment protocols.

Please contact me at (03) 9767 1000 if you have any questions regarding this information.
Kind regards
